

Public Service Employee Survey

Confidential when completed

Français au verso

To all Public Service employees

When I invited you to join me in completing the first ever Public Service-wide Employee Survey in 1999, some 104,000 of you took me up on the offer. Your input provided a wealth of information about how you viewed your work and your workplace.

Working together, we have accomplished much over the past three years. But is it enough? I have asked that a second survey be conducted to assess our progress and the work still needing to be done. This survey repeats many of the same questions of the first survey, but also includes new questions on official languages, health and safety, values and ethics, retention and labour management relations.

Your Deputy Minister/Head of Agency and I are asking you to take the time to fill out the second Public Service-wide Employee Survey.

Your participation is voluntary, but I urge you to make your voice heard. Together we can work to better understand and improve our workplace.

Thank you for your time and participation.

Mel Cappe Clerk of the Privy Council and Secretary to the Cabinet
